

DELTA & DALF EXAMS 2021

What are DELTA and DALF?

The **DELTA** (Diplôme d'Études en Langue Française) and the **DALF** (Diplôme Approfondi de Langue Française) are official French certifications (diplomas actually) that certify the competency of non-native French speakers in the French language. These foreign language certifications have been approved by French law (*décret* of the French Republic 22th of May 1985 for the DELTA and December 1988 for the DALF) and awarded by the French Ministry of Education. The DELTA B2 is an advanced level of French, which allows you to enrol in a French University without having to take any other language test. B2 is the level of fluency.

The **diplomas**; the DELTA & DALF are in line with the levels of reference of the **CECR** (Common European Framework of Reference for Languages) as well as with the recommendations for language assessing by the Framework. There are 6 levels of competency: A1, A2, B1, B2, C1 and C2

The **DELTA JUNIOR** is for secondary school students (12-17 year old) and offers 4 levels: A1, A2, B1 and B2.

The **DELTA PRIM** is for children aged between 7 and 11 years of age who are in primary school and offers 3 levels: A1.1, A1 and A2

For each level or diploma, the **4 core language skills**: listening, speaking, reading, and writing are assessed.

For detailed information about each level of these diplomas, visit the website of France Education International.
